At the Meeting Shareholders may propose draft resolutions on matters which have been placed on the agenda during the Meeting.

D. VOTING BY PROXY, PROXY VOTING FORMS, AND PROCEDURE FOR NOTIFYING THE COMPANY OF THE APPOINTMENT OF A PROXY USING ELECTRONIC MEANS OF COMMUNICATION

Shareholders may attend the Meeting and exercise their voting rights in person or by proxy.

Shareholders at the Meeting should have a document proving their identity. The right to act as a proxy for a Shareholder who is a natural person should be evidenced by a power of attorney, which is to be presented at the time of registering attendance; the proxy should present either the original instrument or its copy certified as true and accurate by a notary public, legal counsel or attorney.

A Shareholder other than a natural person may attend the Meeting and exercise voting rights either through a person authorised to make declarations of will on the Shareholder's behalf or through a proxy. The right to represent such a Shareholder should be evidenced by an official copy of the entry in the relevant register (of which the original or a copy certified as true and accurate by a notary public, legal counsel or attorney should be submitted) or a sequence of powers of proxy and an official copy of the entry in the relevant register, which documents should be presented at the time of registering attendance. A person granting a power of proxy on behalf of a Shareholder other than a natural person should be listed in a copy of the Shareholder's valid entry in the relevant register. Alternatively, the person's appointment as the Shareholder's representative should be evidenced by a relevant resolution authorising the person to act in that capacity, passed by the Shareholder's competent corporate body. If submitted, the resolution must be in the form of the original or a copy certified as true and accurate by a notary public, legal counsel or attorney.

A proxy may exercise all rights of a Shareholder at the Meeting unless the power of attorney states otherwise. A proxy may appoint substitutes if permitted to do so under their power of attorney. A proxy may represent more than one Shareholder and may vote the shares of each Shareholder in a different manner. A Shareholder whose shares are registered in an omnibus account may appoint separate proxies to exercise the rights attached to the shares registered in such an account. A Shareholder holding shares registered in multiple securities accounts may appoint a different proxy to vote the shares in each of the accounts.

If a member of the Management Board, a member of the Supervisory Board, an employee of the Company, or a member of the governing bodies or an employee of a subsidiary of the Company acts as a Shareholder's proxy, the relevant power of attorney may contain an authorisation to represent the Shareholder at one General Meeting only.

The proxy is obliged to disclose to the Shareholder any circumstances giving rise to an actual or potential conflict of interest. In such a case, no substitutes may be appointed.

A power of attorney to attend the Meeting and exercise voting rights must be granted in writing or in electronic form. A power of attorney in electronic form is not required to be signed with a qualified digital signature to be effective.

A power of attorney drawn up in a foreign language should be translated into Polish by a sworn translator; otherwise such power of attorney will have no legal effect. If a power of attorney has been drawn up in a foreign language and in Polish, sworn translation is not required, and the Company will be bound by the Polish version of the power of attorney.

If a power of attorney is granted in electronic form, it must be notified to the Company by sending an email to: wza@peoplecanfly.com, with the power of attorney document attached in the PDF format.

In order to identify the Shareholder granting the power of attorney, the notice of granting the power of attorney in electronic form should include (as an attachment):

- (i) where the Shareholder is a natural person – a copy of their identity card or passport; in this respect it is necessary to disclose the first name and surname, PESEL number, number and series of the identity document, date of issue and expiry of the identity document and the issuing authority; or
- (ii) where the Shareholder is not a natural person – a copy of the valid entry in the relevant register or another document proving the authority of a natural person(s) to represent the Shareholder at the General Meeting (e.g. a complete sequence of powers of proxy); if there has been a change of persons authorised to represent a Shareholder and such change has not yet been disclosed in the relevant register, the representatives of such Shareholder should also present relevant resolutions or declarations of will of bodies or entities authorised to appoint and dismiss persons representing the Shareholder to confirm the change.

If a Shareholder is not required to be entered in the register, its representatives should provide another document proving the existence of the principal and the rules of representation. Statutory representatives and *ex officio* substitutes (bankruptcy trustees, court-appointed administrators, executors of last wills and testaments, administrators of unclaimed estates) should present documents proving their authority to act on behalf of the Shareholder.

Should any doubts arise as to the validity of the documents specified above, the Management Board reserves the right to request that the following documents be presented by the proxy at the time of registering attendance:

- (i) if the Shareholder is a natural person – a copy of an identity card, passport or any other official identification document of the Shareholder, certified as true and accurate by a notary public, legal counsel or attorney; or
- (ii) if the Shareholder is not a natural person – the original or a copy of the valid entry in the relevant register or another document evidencing the authority of a natural person(s) to represent the Shareholder at the Meeting (e.g. a complete sequence of powers of proxy), certified as true and accurate by a notary public, legal counsel or attorney.

To enable identification of the proxy, the Management Board reserves the right to request that the following documents be presented by the proxy at the time of registering attendance:

- (i) if the proxy is a natural person – their identity card, passport or another official identity document; or
- (ii) if the proxy is not a natural person – the original or a copy of the valid entry in the relevant register or another document evidencing the authority of a natural person(s) to represent the proxy at the Meeting (e.g. a complete sequence of powers of proxy), certified as true and accurate by a notary public, legal counsel or attorney.

A proxy voting form is available from the Company's website at www.peoplecanfly.com. It is not obligatory to use the forms referred to above to grant powers of attorney.

Please be advised that if a Shareholder grants a power of attorney along with voting instructions, the Company will not verify whether the proxy is exercising the voting rights in accordance with the instructions received from the Shareholder. Therefore, please be further advised that voting instructions should be given exclusively to the proxy.
